Things to consider while watching...

- Which of the actors can you relate to and why?
- What emotions have triggered or stirred up within you?
- What take-aways, truths, or "ah-ha" moments did you realize during the performance?
- How could this have had a better resolution?
- What will you do about what you have learned?

IMPACT IN YOUR COMMUNITIES?

- What is your sphere of influence?
- Where and how can this have an impact in your community?
- Can this be a "creative" way of dealing with a topic that most people want to avoid but "live" daily?
- Can this be shared?
